

13 April 2022

Kia ora Kapakapanui School Families and Whānau,

You will be aware that Minister of Education Chris Hipkins has announced the move to Orange at 11:59pm tonight.

The decision to move to Orange has been made on Public Health advice and reflects that we are moving past the peak of cases and our health system is able to cope. We are seeing that cases are declining due to high levels of vaccination and natural immunity after infection.

I wanted to give you an update on what the move to Orange means for our school.

At Orange, face masks are no longer required at school. **However Public Health advice is that masks continue to be strongly encouraged when indoors.** Wearing a mask is a key health measure that slows the spread of COVID-19 in indoor settings. **For that reason, we ask that visitors to the school, including parents and whānau, please wear a mask whenever they are indoors on school grounds.**

We also ask that your child (if they are Year 4+) continue to bring a mask to school every day, unless they have an exemption.

At Orange, students aged 12 and above are still required to wear a face mask on school or public transport.

We will continue to keep all the other health measures in place at school that we know slow the spread of COVID-19. These include ensuring our indoor spaces are well-ventilated, maintaining good hand hygiene and cough and sneeze etiquette, appropriate physical distancing whenever we can and, most importantly, staying home if we are sick.

We are looking forward to a few less restrictions and returning to school life that is a bit closer to normal.

Ngā mihi,

Craig Vidulich
Principal/Tumuaki
Kapakapanui School
